

September Newsletter

Hey there, dance friend!

You heard it here first: High Image Dance is releasing its very first NEWSLETTER! We are thrilled to offer this resource as another way to connect with dance families and keep you updated on the latest at High Image such as giveaways, our Word of the Month, and more! We are also beginning new tradition here at our studio and we wanted to introduce it in our very first newsletter! Read on for more...

High Image Dance is proud to announce our new Student Spotlight! Once a month, we will feature a High Image student who has had a life-changing experience at our studio – whether they have overcome any kind of physical ailment or disability, gained confidence in their abilities and skills as a dancer, or simply came out of their shell and learned they love the art of dance!

We will feature the Student Spotlight in our monthly newsletters, as well as our social media so dance families can share with friends and family! We are excited to connect with our dance families with this new, fun addition to the High Image experience. And, we're revealing the first Student Spotlight RIGHT HERE, in our first newsletter!

Now, for the moment you've waited for!
Our September Student Spotlight is:

Miss Demie!

Check out the Student Spotlight to learn more about this sweet dancer!
